

CHARTER OF THE SHAREHOLDERS' NOMINATION BOARD OF CAPMAN PLC

(Reviewed and approved by the Nomination Board on 23 January 2019)

1. The purpose of the Nomination Board

The shareholders' nomination board (the "Nomination Board") of CapMan Plc (the "Company") is a corporate body of the Company's shareholders and responsible for preparing proposals and submitting them to the Annual General Meeting and, if needed, to an Extraordinary General Meeting concerning the nomination and remuneration of the members of the Board of Directors and remuneration of the members of the Committees of the Board of Directors. The primary task of the Nomination Board is to ensure that the Board of Directors and its members have sufficient expertise, competence and experience to meet the needs of the Company.

The Nomination Board shall adhere to the applicable legislation and other regulations, such as stock exchange regulations and the Corporate Governance Code for listed companies in Finland.

2. Nomination and composition of the Nomination Board

The Nomination Board shall include the representatives nominated by the four largest shareholders as well as the Chairman of the Board of Directors, who shall serve as an expert member. The Chairman of the Board of Directors shall not take part in the decision-making of the Nomination Board.

The four shareholders who, according to the Shareholder Register maintained by Euroclear Finland Ltd, have the largest share of the votes conferred by all Company shares on the first workday of the September preceding the Annual General Meeting, are entitled to nominate the members who represent shareholders. The Chairman of the Board of Directors accordingly requests that the four largest shareholders, determined as specified above, each designate one member of the Nomination Board. In case two of the largest shareholders have an equal number of shares and votes and the representatives of both such shareholders cannot be nominated to the Nomination Board, the decision between them shall be made by drawing lots.

If a shareholder who has distributed his/her holdings e.g. into several funds and has an obligation under the Finnish Securities Markets Act (746/2012, as amended) to take these holdings into account when disclosing changes in share of ownership, makes a written request to such effect to the Chairman of the Board of Directors no later than on 31 August preceding the Annual General Meeting, such shareholder's holdings in several funds or registers will be combined when calculating the share of votes which determines the nomination right.

If a holder of nominee registered shares wishes to use his/her right to nominate, he/she shall present a reliable account of the number of shares in their ownership on the first workday of September preceding the Annual General Meeting. The account shall be submitted to the Chairman of the Board of Directors on the fourth workday of September, at the latest.

If a shareholder does not wish to use his/her nomination right, the right shall be transferred to the next largest shareholder who would otherwise not be entitled to nominate a member.

The Chairman of the Board of Directors shall convene the first meeting of each term of office of the Nomination Board and the representative of the largest shareholder shall be nominated as the Chairman of the Nomination Board, unless otherwise decided by the Nomination Board. The Chairman of the Board of Directors cannot be the Chairman of the Nomination Board. The Nomination Board convenes thereafter at the notice of the Chairman of the Nomination Board.

When the Nomination Board has been nominated, the Company shall publish its composition by a stock exchange release.

Shareholder shall be entitled to replace the member that he/she has nominated during the term of office, should they so wish, by informing the Chairman of the Nomination Board. A member designated by a shareholder must resign from the Nomination Board if the shareholder in question is no longer one of the ten largest shareholders in the Company, unless the other nominated members of the Nomination Board unanimously decide otherwise. The Nomination Board may nominate a new member to replace the member who resigned early, and, if the number of nominated members in the Nomination Board is reduced to fewer than three during a term of office, the Nomination Board must decide on nominating new members. The Nomination Board must offer any vacancies to those Company's shareholders who have not nominated a member to the Nomination Board, in an order which corresponds to the preference order based on the votes conferred by shareholdings. The preference order based on the votes conferred by shareholdings shall be determined in accordance with the shareholders' ownership data in the Shareholder Register on the date the request to nominate a member was presented.

The Nomination Board shall serve until further notice until the General Meeting decides otherwise. The term of office of the Nomination Board's members expires annually after the new Nomination Board has been nominated.
